emmauyentrih@gmail.com

✓ Design patterns should be methodically and thoroughly used when creating design. \*2/2

☐ yes

☒ no

✓ Good steps that can lead to using a particular pattern: \* 2/2

☒ learn them well

☒ prototype them

☒ let design evolve

☒ wait for the right problem

✓ The goal is not to use patterns that come to our mind, but let patterns emerge from the evolving design. \*2/2

☒ yes

☐ no

✓ Before we apply a design pattern, we should figure out the design principles that are the guiding forces. \*2/2

☒ yes

☐ no

✓ Design patterns are great communication tools. \*

2/2

☒ yes

☐ no
